

St Mary's Tattingstone family@church

I wonder what you think of when you hear the words “family church service”?

Our family@church services in Tattingstone are:

- All age (yes really—from babes in arms to 102yrs or more)
- Easy to follow
- Free-ranging, children can roam around the church
- A maximum of 40 minutes long
- Interactive for everyone (if you want to join in you can but no pressure if you would rather just soak it all up)
- Great for singing - well known songs (hymns)
- WELCOMING!
- We also offer free refreshments after the service

All sound good? Pop along to our next service in October

Theme—small things, big plans

Just bring yourself (and a few friends of course)
